AUCTION 158

Will close at midnight on Friday 23 May 2025. Please send your bids to Ken Dyke, 38 Bristol Road, Ipswich, Suffolk IP4 4LP or e-mail them to Somersett55@gmail.com. Bidding steps are £1 up to £20, £2 up to £50, £5 up to £100, £10 thereafter.

Dear Members,

Welcome to Auction 158 with around 450 new lots for your consideration.

Highlights include "P.O.s in the Levant", "First Republic Sonderstempel" and some interesting collections. Most of the lots have been scanned.

Following the new offers, you will find about 160 unsold lots from Auction 157, re-offered with start-prices reduced by at least 25%. The original lot-numbers have been retained and the scans are here on the website. There are some real bargains at the start-prices.

I need some good collections for future auctions. Do you have material you are no longer interested in that other Members might enjoy? Why not clear some space and bring in some cash? By the way, I do not need any more first-day or first-flight covers!

By the time you see this catalogue, Ken will have the Auction material, so please address any questions about the lots to him. Your bids should be sent to Ken to arrive not later than midnight, 23 May 2025. Good luck with your bidding.

Keith Brandon, Joint Auctioneer, duntrading@aol.com

INFORMATION FOR BIDDERS

Start-prices in the final column of the listing are reserve-prices in British Pounds. The reserve-prices are a safety-net for vendors and are usually set low. They are not an estimate of value, which would normally be much higher. Lots will be purchased for you at the lowest-possible price, i.e. at the reserve or at one bidding-step above an under-bidder. If equal bids are received for a lot, the first received will take precedence.

There is no buyer's premium. Postage and packaging are charged extra at cost. Customs duties if charged are payable by the buyer.

The bidding steps are detailed on the bid-form. Bids not conforming will be rounded down "Buy" bids will be interpreted as "bid up to ten times the reserve-price".

Send your bids to me by post or by email (but not by telephone please). E-mail bids will be acknowledged: if you do not hear from me within three days, please contact me. Good luck with your bidding.

Successful bidders should pay the Treasurer (Ian Bergel) preferably by Paypal or bank-transfer. Send Paypal payments to ian@ianbergelassociates.co.uk and include "who from and what for". The bank account is unchanged: Austrian Philatelic Society / 40-43-01 / 81327488. For both routes, if remitting from outside the UK please send us sterling, not the currency of where you are.
