Price adjustments by Österreichische Post AG

Vienna, August 2022

Dear Mr Ing. Taylor!

We are writing to inform you that Österreichische Post AG is adjusting its prices for some of its letter products as well as parcels with effect from 1 October 2022. It is also issuing new definitive stamps to reflect these changes.

The most important developments at a glance:

- The Traditional costumes – accessories and ornaments (Trachten – Beiwerk und Auszier) **definitive stamp series** will be continued
- 5 and 10 cent **additional stamps** will remain unchanged

The Traditional costumes – accessories and ornaments definitive stamp series was launched in 2020.

New designs are being added to the existing series.

These also feature costume accessories from all over Austria – traditional elements that reflect the specific character of each region's traditional Trachten costume, including decorations, jewellery or accessories such as hats and shoes. The two additional stamps showing the Astrakhan fur hat (5 cent) and the Lake Constance Radhaube hat (10 cent) will remain part of the series.

See overleaf for all designs.
